As a guest of the host community, it is asked that your team conduct itself in a responsible manner during their entire stay in the host city. Your observance of any special rules that the host has established will assure the tournament's success. As you know, without willing hosts we would have no competition for sports enthusiasts in the state of Minnesota. With your assistance, we can all be assured that our sports program will continue to grow and benefit thousands of participants each year.

In closing, it is the MSF's desire that your team performs to the best of their ability and enjoys the opportunity to participate. We look forward to seeing you in Becker!

Sincerely,

Anne Strong
